Here Is Foot Comfort

This is a broad claim to make, but the Scholl "Foot-Eazer" cases feet, provides absolute means of foot comfort.

When the arch of the foot is not properly supported—and the modern shoe does not give this required support—the feet tire and ache and pain and become feverish and then there is a twitching and a seeming strain on the limbs, and frequently a feeling of fatigue over the whole body.

The arch of the foot, where the body's weight is carried, needs a rest. THE SCHOLL "FOOT-EAZER" supports the arch and instep and takes away all muscular strain, equalizing the weight and bearing.

Made of German Silver springs, leather covered. Self-adjusting to any foot. Can be changed from one pair of shoes to another and can be worn with comfort by anyone.

Women who do housework, or clerks in stores or offices, or anyone whose occupation requires them to do much standing or walking should buy a pair of "Foot-Eazers" today.

You cannot have restful feet until you do wear them. All sizes, for men and women. Price \$2.00 per pair.

Endorsed by Physicians—by People who wear them. For sale by SHIRLEY & SHIRLEY, 39 East Adams St.

## LOCAL LODGE LORE

## Red Men.

Last Thursday night was another most pleasant evening, enjoyed by the members and wives of Maricopa Tribe No. 19, I. O. O. F. M. The session was opened with all officers present. The occasion was principally held in favor of the ladies, who are anxious to organize a degree of Pocahontas, which is a ladies' auxiliary of the improved order of Red Men and is found in almost every city and town where Red Men are known. Mr. Young, Acting Prophet, was Master of Ceremonies and delivered a most pleasing address, he spoke principally in favor of the degree of Pocahontas and its wonderful help to the order of Red Men, and closed by fervently urging the organization of Pocahontas in Phoenix. G. Edw. Lamar, a visiting member of Neversing Tribe No. 351 I. O. O. F. M. of Reading, Pa., also spoke in behalf of Red Men, and the degree of Pocahontas, and the benefit derived by their teachings. Mr. Young and Mr. Lamar were heartily received by all present. Mrs. Burns, a present member of the Pocahontas in Denver, also addressed the crowd, she told of her experiences of 20 years as a Pocahontas and said she felt satisfied to transfer from Denver to Phoenix, feeling sure she would soon find comfort among new faces, depending solely on a degree of Pocahontas, but was sadly disappointed upon her arrival to find there were none in this city. To Mrs. Burns belongs most of the credit as to the organization of Pocahontas in Phoenix. The degree of Pocahontas is now organized with a charter of 27 members, which we hope will continually increase. Entertainments will be more frequent by this order in the future. After the closing of the business session, the hall was turned over to all present for purpose of dancing, etc. Mrs. Fitzsimmons and Mr. Lamar sang several selections which were highly appreciated. The members were attired in the regalia of their ranks. Refreshments were served and dancing was enjoyed by the young folks. Mr. Lamar leaves for San Diego, California Saturday at 7:15 P. M. where he will locate, if possible, the Red Men of that city. Through this paper he wishes to thank Maricopa Tribe No. 19, I. O. O. F. M. for the hospitality extended to him by its loyal members.

## Loyal Order of Moose

Moose Hall on Tuesday evening was filled to its capacity with Loyal Moose, who had gathered to extend a cordial greeting to distinguished guest Brother E. J. Henning of Milwaukee, Wisconsin, deputy supreme dictator and member of supreme board of trustees of this order. Nominations of officers for the ensuing year were made and the regular order of business was hurried through until the heading "Good of the Order" was reached. A number of the members present were called upon but declined being anxious to hear from Deputy Supreme Dictator Henning, who had come more than 2000 miles to make a special visit to the local lodge of Phoenix. He came in response to a special invitation that had been extended by this lodge. The object of his visit being to look into the advisability of locating the National Moose Sanitarium in the vicinity of Phoenix, in the famous Salt River Valley. Mr. Henning's address before the lodge, was a masterpiece of intellectual force, seldom heard within the confines of any fraternal hall, or on the public rostrum. He gave the history of the order from its beginning to the present time, with such graphic ease and grace bringing so much of the great work now being undertaken by this order to the attention of the members present.

rent, that they could scarcely restrain themselves in their expressions of pride and satisfaction that they were members of the order, and workers in such a beneficial cause, as that now being accomplished by the Loyal Order of Moose. At the conclusion of Brother Henning's speech, a number of Brothers including F. C. Struckmeyer and W. D. O'Neil made enthusiastic speeches commending Phoenix and the Salt River Valley to the consideration of the supreme trustees as the proper location for the national sanitarium. Brother C. C. Thompson called the attention of the lodge to the exceptional treat they had enjoyed in being privileged to hear Mr. Henning's address, and moved a vote of thanks to the distinguished visitor, which was responded to unanimously by a rising vote. Brother Henning was not alone in his visit to Phoenix, Mrs. Henning and daughter Beatrice accompanying him. A committee of Loyal Moose were on hand to meet the party upon their arrival in Phoenix at 5:10 Monday evening. Automobiles were in waiting and the seven soon shifted to the Adams Hotel where reservations had been previously made. An informal reception being tendered our guests later in the evening. Tuesday was delightfully spent in a sight seeing trip of the valley, stops were made at the ostrich farm, Granite Reef, Paradise Valley, the capitol building, and numerous other points of interest. On Wednesday the trip to Roosevelt Dam proved a rare treat and came as a fitting climax, to the time of their lives, as Brother Henning expressed it. Seventy-two hours in the hands of the finest bunch of Moose that ever existed, each and everyone of them filled to the brim with all that goes to make life worth the living. Wonderful indeed has been our reception and entertainment and truly do I mean it when I say that I am going to be with you again when the proper time arrives. Brothers Carpenter of San Diego, Purker of Tucson, Rush of Jackson, Mich., Brann of Cincinnati and Plunkett of East St. Louis expressed themselves in kindly manner. Boys don't forget to be on hand Sunday, March 11th. Election of officers is on the tapis. I am sure you all want to have a voice in the selection of capable officers. Respectfully yours in P. A. P.

## Rebekahs

Thursday March 6th meeting called to order by the Noble Grand, with a splendid attendance. We had with us as visitors Brother and Sister English of Clifton, Ariz. Sister Herman of Roseburg, Ore. and Sister Ivy, past president of the general assembly.

After the disposal of the main volume of business Mrs. Anna Parks, Miss Lizzie Smith, Mrs. Charles Caldwell, Mrs. Mae Williams, and Mr. Robert Banks were initiated into the mysteries of the Rebekah degree. One new application for membership being entered.

After some debate the committee on the home fund decided to give an informal entertainment in the lodge hall on March 28th. The members received this announcement with enthusiasm and with concentrated effort it promises to be a splendid success.

Business being concluded the members adjourned to the dining hall where dainty refreshments were served.

The next meeting of the Rebekahs will be held at 10 P. M. of the hall, Thursday evening March 20th. All visiting members will receive a hearty welcome. Let us try for an even better attendance than last meeting.

## G. A. R.

The Grand Army had a good meeting in K. of P. hall on Wednesday afternoon. A very good number of the "old boys in blue" as well as a good many comrades from abroad were present. Comrades from California, Nebraska, Kansas, Michigan and Colorado met with the local post. There are some interesting incidents of the lapse of time, and the visit of Comrade W. E. Lockwood who was a college mate of General Archibald J. Simpson, before the Civil War, both having participated in the sanguinary conflict. Comrade A. McDole was present having been here in 1904. These two comrades were singularly representative of Farragut posts, one in Denver Colorado, and the other of University Place, Neb. Joseph De Mars, spoke of the "boys in blue" should not forget what is due to the greatness of our country to the patriotic spirit and loyalty of the Grand Army of the Republic kept up the national integrity of our country. L. M. Newman of Bishop, California spoke about the value of the little bronze button to the wearers. Actus C. Gaylord was elected and mustered in as a member of this post. An enjoyable time was spent and adjourned to meet again on the third Wednesday in this month. J. M. PIKE.

At the last meeting of the Fraternal Brotherhood on Saturday night March 1st, the committee which had been appointed to make arrangements for the Jubilee Singers in April were ordered to meet in J. Several applications were read. Mrs. Ray was given the obligation. Mrs. Ray is our future musician, as the former musician, Stover Isaac, has gone to Los Angeles. Last night was open night and a large crowd was entertained.

Sister Clara Anderson is reported as being ill at the hospital. JULIA DOHENEY, Secretary.

royal style. The tables were well supplied by the ladies and reflect great credit on the committee in charge of the arrangements, if the sisters keep on recruiting their membership in the manner in which they have been doing during the past few weeks the trustees will have to procure a larger hall as the present one will not accommodate any more.

Phoenix company No. 1 is drilling hard for the cup presented by General Royer sometime ago for the best drilled company in the Salt River Valley, and they will most probably hold it anyhow as neither Mesa or Tempe seem to have the courage to challenge us to a competitive drill.

We are pleased to note that Sergeant J. M. Hennesey has returned to Phoenix from San Diego where he reports having a great time with the Uniform Rank and also the Dokeys.

There will be a special drill next Tuesday night and all the members are requested to be present as there will be something doing.

## Pythian Sisters

Purity Temple No. 9 held another very interesting meeting Tuesday evening. The eleven candidates initiated into the mysteries of the degree were Agnes Bandy, Della Mc-

Carthy, Bertha O'Neil, Sadie Everett, Cora Jones, Pearl Reno, Mildred Sackman and Mrs. W. F. Davis. Brothers Harry Hancock, L. C. Odum. The degree staff with their new robes surprised all the members, and exemplified their work with great credit. The leaders of the team, Sister Addie Ingalls, Sister Ellis deserve special mention. Sister Clement's son was reported ill and the members asked to call. Under the head of good of the order several of the new members made pleasing remarks. After which the committee consisting of Sister Addie Ingalls, Refas Price, Diamond served coffee and cake, which was greatly enjoyed by all. The K. of P.'s will entertain with a social Friday evening at all the Pythian Sisters are invited to attend there will be dancing and cards and a social good time to all who attend.

## Modern Woodmen of America

The regular meeting of the M. W. A. No. 11462 was held at the K. of P. hall on last Wednesday evening. A treat was in store for those attending. Neighbor Arnold of Tempe was in attendance and being a past consul Neighbor Temple turned the business over to Neighbor Arnold, and his voice sounded good. Two

new candidates who thought they were wise underwent the ordeal of Escort Bled and Captain Cal Powell and there was something doing. On Monday, March 17, something new to the boys of Arizona is going to be pulled off. Tempe Camp seems to want a little extra timber to saw and the Phoenix boys have agreed to supply that timber and arrange. The Phoenix boys have been between the two camps to have a genuine old fashioned log rolling at Tempe on the above date mentioned. All M. W. A. members get your axes, saws, beetles and wedges and go with us from Phoenix at 7 P. M. sharp and see how much Tempe timber we can haul. Neighbor Arnold informs us that Tempe is the seat of the Salt River Valley for all good things to eat and Neighbor Dr. Charles C. Palmer has kindly volunteered to take care of all dyspepsias upon their return. Now come on, boys, and see how many patients Dr. Palmer is really going to get. Neighbor William T. Galun beat poor old Sam out of the honors, taking the lucky number for the drawing for March. All members wishing to participate in this, the first log rolling in Arizona, kindly advise clerk at once so and his voice sounded good. Two

made so that we won't have to walk. C. H. PATRICK, Clerk.
